April 2008

Crime Watch Coordinators and Block Captains:

The Carmel Clay Communications Center is scheduled for an on-site assessment as part of a program to achieve accreditation by verifying that they meet professional standards.

Administered by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA), the accreditation program requires agencies to comply with state of the art standards in four basic areas; policy and procedures, administration, operations and support services.

Department employees and the public are invited to offer comments by calling 317-571-2591 on Monday, April 28, 2008 between the hours of 1:00 pm and 3:00 pm. Comments will be taken by the Assessment Team.

Telephone comments are limited to 10 minutes and must address the Department's ability to comply with CALEA's standards. A copy of those standards may be viewed at the Carmel Clay Communications Center. Contact Accreditation Manager Peggy Gordon or Assistant Shift Supervisor John Jokantas at 317-571-2591 for more information.

Anyone wishing to submit written comments about the Carmel Clay Communications Center's ability to comply with the standards for accreditation may send them directly to the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA), 10302 Eaton Place, Suite 100, Fairfax Virginia, 22030-2201.
